

American Laser Centers

Hello Noah,

I just wanted to write you a quick note to say thank you and share some of my recent successes with you since we have been working together. I have been thrilled with Get 1 Free Magazine's efforts over the past couple of months I have been advertising. I know that you said not to expect a considerable difference overnight, but since we put a tangible offer in our ad the results have been awesome! I appreciate the hard work you put into making sure we are successful. The quality of customer service is second to none.

In February I set a new personal record of sales in the shortest month of the year. Then in March I set a new company record... I'm now number one in the country in sales! We have been so successful we are opening a new location in Carlsbad. I would definitely recommend other businesses to get involved with Get 1 Free magazine. Thank you again!

Best Wishes,
