Dear Noah,

Thank you very much for introducing and recommending your magazine. I understand that the ad campaign took approximately two months before my practice started getting its ROI. Now, I feel that I finally found my niche.

Your support and encouragement through the rough ride is impeccable. The job you're extending to me and my practice is not just as my Get 1 Free magazine account manager but definitely an extension of my dental family.

Thanks again and more power to you and all the staff of Get 1 Free Magazine.

Sincerely,

Evelyn G. Ascough DDS Inc
