Get 1 Free Magazine
5776 Ruffin Road
San Diego, CA 92123

We just began advertising with Get 1 Free Magazine last month. We have already seen a great response with the advertising. The Get 1 Free Magazine coupons are already mixing on par with our Union Tribune and Penny Saver coupons which we have been running for years.

We were also impressed with the design and layout of the advertisement. The advertisement looks very professional and fits with our corporate image.

Sincerely,

A handwritten signature in black ink, appearing to read "Izak Ondre". The signature is stylized and somewhat cursive, enclosed within a large, loopy oval shape.
