

# SHUTTERS N 7

February 10, 2006

Dear Sir or Madam:

We have found that advertising in the Get 1 Free magazine has increased our customer calls. We have closed many nice jobs from the leads that came from those calls in the two years Shutters N 7 has ran in Get 1 Free magazine.

Our Account Executive Judy Safley has been very helpful with creating our ads. Her marketing skills have been a tremendous help as well.

The entire staff at Get 1 Free is always friendly and helpful.

Sincerely,

Carol and Tom Beard
