Get 1 Free Magazine

We are a new company and we understand that we must have good advertising in order to get the business up and running successfully. Being new, we are also in a position of having to be very careful of our advertising dollars.

Before using Get 1 Free Magazine, we were trying many different avenues for our advertising, spending thousands of dollars and not getting a good return for our efforts. Things were looking pretty sad until we started advertising in the Get 1 Free Magazine.

The first day that our ad broke in the Carlsbad magazine, we started receiving calls and booking appointments to swim dogs in our warm water swim spa. The response was wonderful and we couldn't wait for the Oceanside ad to come out a couple of weeks later. Again, within a day of the residents of Oceanside receiving their magazines, our phones started ringing and we were booking appointments.

Thanks to Rachelle at Get 1 Free Magazine, we are starting to realize the fruits of our labor and we are very happy with the results that we are obtaining. Rachelle has been a very pleasant and easy person to work with and she is very caring about her clients. She has helped us tremendously and goes beyond the call of duty to make sure that we achieve our goals.
